Cookie Policy

Your use of this platform/ website is subject to your acceptance of the Terms, Conditions and Policies.

By continuing to browse the site, you are agreeing to our use of cookies.

We use cookies on our platform to enhance your user experience, and to monitor and improve site performance. The data we collect using cookies helps us understand our customers better so that we can provide a more focused user experience. Using the knowledge of previous visits to our website, we can enhance subsequent visits by tailoring our content to better match our users' requirements.

Our cookies don't store sensitive or personally identifiable information such as your name and address or credit card details.

What Are Cookies?

A cookie is a small piece of data sent from a platform and stored in a user's web browser while a user is browsing a platform. When the user browses the same platform in the future, the data stored in the cookie can be retrieved by the platform to notify the platform of the user's previous activity or preferences. This data is usually not personally identifiable.

What Sort of Cookies Do We Use?

1. **Essential Cookies**

   Some cookies are essential for the operation of this platform; for example, they may allow us to identify registered, logged in users so that they can access the content and services for which we require registration. If you opt to disable such cookies, you will not be able to access such content.

2. **Security Cookies**

   We use some cookies to enhance security on the site by preventing other users or platforms from impersonating you on our platform. The platform may not function properly without these cookies.

3. **Functional Cookies**

   These cookies are associated with remembering preferences and actions on previous visits, to ensure that when you revisit the site it behaves as you would expect.

4. **Analytics Cookies**

   We use other cookies to analyse how visitors use our platform. This also include through Google analytics or other analytical tools. The information gathered through the use of such cookies is anonymous, and provides us with statistical, aggregate data on how visitors use the platform. We and search engines use this information to improve you experience and both to provide better and more useful content, as well as to improve the performance of the website.

5. **Advertising Cookies**

   We may from time to time use cookies to assist us and our advertisers to serve you with advertisements which we believe you may find relevant and interesting. However, the advertiser cannot tell who you are from any data gathered through use of these cookies.
